BEHAVIOR NOTE: 04/06/26 17:11 Walked with tight leash out to runs. When taking him out of the run on leash was wiggly and standing on hind legs leaning against me seeking pets. During cleaning noticed he was trying to open the swinging doors to come outside. Initially was just pawing with one hand, but then noticed him trying to lick the lock to lift it up. Jumped when he noticed me standing behind, watching him and sat down at the kennel door licking snout and wagging tail. As soon as I went back outside to continue cleaning he started again.

After cleaning was lying on his bed, quiet and calm all day. Even when the swinging door was opened didn't actually want to go out just relaxed inside all day.

Eval. Notes: 04/06/2026

BEHAVIOR NOTE: Approaching the kennel, Du Monde greeted me with a open mouth smile, neutral body and eyes, ears up, and fast wagging tail. He did a good job of keeping his kennel clean. He was very friendly towards other ACT's as we were walking to the outside runs. Du Monde was walked on a tight leash due to him forward pulling on the leash. While in the outside runs, noticed that Du Monde was passively forward vocalizing whenever he saw the dog along with following them as well one run down from him.
