

Public Notice

On Thursday, December 4, 2025, the City of Houston's (City) Housing and Community Development Department (HCDD) issued a public notice proposing a Letter of Agreement (LOA) between HCDD and Houston Public Works (HPW) to allocate up to \$15,788,022.16 in Community Development Block Grant Mitigation (CDBG-MIT) funding for the construction costs related to the Turkey Gully Drainage and Paving Improvements Project.

The City is now issuing a correction to the original public notice to increase the project budget amount by \$481,632.00 for an overall allocation of \$16,269,654.16 in CDBG-MIT funding to incorporate the acquisition of three parcels of land required for the project.

This correction does not alter the original 30-day comment period. The original 30-day period extended from Thursday, December 4, 2025, through Friday, January 2, 2026. HCDD is in the process of entering into an LOA with HPW.
