

Public Notice

The City of Houston ("City"), through its Housing and Community Development Department ("HCDD"), is issuing a public notice in repose to a conflict of interest matter. An immediate family member of a City employee, whose duties are designated to HCDD, has applied to receive Community Development Block Grant – Disaster Recovery 2021 assistance through the City's 2021 Winter Storm Single Family Home Repair Program.

HCDD is filing a request with the United States Housing and Urban Development Department for an exception to the conflict of interest prohibition under 24 CFR 570.611(d), provided that the recipient of the funds has satisfactory met the threshold requirements as follows:

- A disclosure of the nature of the conflict, accompanied by assurance that there has been public disclosure and a description of how the public disclosure was made; and
- An opinion of the City's attorney that the interest for which the exception is sought would not violate state or local law.

For additional information on the HCDD Conflict of Interest Policy, contact Kennisha London via email at Kennisha.London@houstontx.gov. Upon completion of the public disclosure, HCDD will submit the request for the approval of the conflict of interest exception.
