509 Euclid St
Woodland Heights

Applicant: Edis Hobson, owner

Property: 509 Euclid Street, TRS 14 and 15A, Block 22, Woodland HeightsI Subdivision. The property includes a historic 1,651 square foot, one-story, wood, single-family residence and detached garage situated on a 6,200 square foot interior lot.

Significance: Bungalow style residence, constructed circa 1920, located in the Woodland Heights Historic District.

Proposal: Alteration – Addition

The application is proposing to:

- Construct a 2,228 sq ft addition, bringing the total from 1,651 sq ft to 3,769 sq ft. with 4,611 sq ft covered.
- The addition will include an addition at the front of the home and at the rear of the home.
- Demolish a non-original addition to open the original porch, removing the windows in the wall to be removed and install new wood columns with brick bases.
- Remove the existing asbestos siding and repair and replace as needed the 4" reveal wood siding beneath.
- Install new smooth cementitious siding with an 8" reveal on the addition.
- Maintain the original wood windows of the existing home.
- Install new wood 1 over 1 windows.
- The home will be constructed with a 27'-11 ½" maximum ridge height.
- The attached garage will have a 26'-6 ½" maximum ridge height.
- It will have a 21'-0" maximum top plate on the second-floor and a 12'-0" top plate height on the first floor.
- The new roof will have a 6 over 12 roof pitch.
- The existing garage will be moved forward 8'-0" to minimize the amount of tree trimming that will need to take place.
- The addition will have an attached garage and garage apartment above.

Public Comment: No comment received. ****This is subject to change****

Civic Association: No comment received.

Recommendation: Approval with conditions:

That the proposed addition be clad with 5" smooth cementitious siding.

HAHC Action: -

APPROVAL CRITERIA

ALTERATIONS, REHABILITATIONS, RESTORATIONS AND ADDITIONS

Sec. 33-241: HAHC shall issue a certificate of appropriateness for the alteration, rehabilitation, restoration or addition of an exterior feature of (i) any landmark, (ii) protected landmark, (iii) any building, structure or object that is part of an archaeological site, or (iv) contributing building in a historic district upon finding that the application satisfies the following criteria, as applicable:

- | S | D | NA | |
|-------------------------------------|-------------------------------------|-------------------------------------|---|
| | | | S - satisfies D - does not satisfy NA - not applicable |
| ☒ | ☐ | ☐ | (1) The proposed activity must retain and preserve the historical character of the property; |
| ☒ | ☐ | ☐ | (2) The proposed activity must contribute to the continued availability of the property for a contemporary use; |
| ☒ | ☐ | ☐ | (3) The proposed activity must recognize the building, structure, object or site as a product of its own time and avoid alterations that seek to create an earlier or later appearance; |
| ☒ | ☐ | ☐ | (4) The proposed activity must preserve the distinguishing qualities or character of the building, structure, object or site and its environment; |
| ☒ | ☐ | ☐ | (5) The proposed activity must maintain or replicate distinctive stylistic exterior features or examples of skilled craftsmanship that characterize the building, structure, object or site; |
| ☐ | ☐ | ☒ | (6) New materials to be used for any exterior feature excluding what is visible from public alleys must be visually compatible with, but not necessarily the same as, the materials being replaced in form, design, texture, dimension and scale; |
| ☐ | ☐ | ☒ | (7) The proposed replacement of exterior features, if any, should be based on an accurate duplication of features, substantiated by available historical, physical or pictorial evidence, where that evidence is available, rather than on conjectural designs or the availability of different architectural elements from other structures; |
| ☒ | ☐ | ☐ | (8) Proposed additions or alterations must be done in a manner that, if removed in the future, would leave unimpaired the essential form and integrity of the building, structure, object or site; |
| ☐ | ☒ | ☐ | (9) The proposed design for any exterior alterations or addition must not destroy significant historical, architectural, archaeological or cultural material, including but not limited to siding, windows, doors and porch elements;
<i>A portion of the original roof is being destroyed, but in an effort to minimize the destruction of the oak tree.</i> |
| ☒ | ☐ | ☐ | (10) The proposed alteration or addition must be compatible with the massing, size, scale material and character of the property and the context area; and |
| ☐ | ☒ | ☐ | (11) The distance from the property line to the front and side walls, porches, and exterior features of any proposed addition or alteration must be compatible with the distance to the property line of similar elements of existing contributing structures in the context area.
<i>The distance of the property line of the garage is vastly different than the context area due to the circumstances pertaining to the large oak tree.</i> |

PRODUCT DATA SHEET

All Wood Double Hung

For a truly distinctive home, you can't beat the timeless elegance of all-wood windows. The concealed wood jambliner of our all-wood premium double hung is a big upgrade over other vinyl versions. With a combination of historic styling and contemporary engineering, they frame any view with sleek, natural beauty.

Standard Construction:

- 5-7/8" overall frame depth, with 11/16" frame thickness. Standard 4-9/16" jamb depth.
- Full 1-7/16" thick, mortise and tenoned sash.
- Block and tackle balance mechanism housed in concealed jambliners.
- Tilt in sash for easy cleaning.
- Flush mounted lock and keeper.
- Half or full roll form aluminum screens.
